BARk's Newsletter

From the desk of the ACO:

- All dogs 6 months and older must have a Pennsylvania Dog License and also a Rabies Tag.
- Summer is here please DO NOT take your dog in the car with you, if you can't leave the AC on or take them with

you into the store. Cracking the windows will not cool the inside of your car. It takes only 10 minutes for the inside of the car to reach 115 degrees.

NEVER advertise a pet on

Dogfighters use free and stolen cats and dogs as "bait" to train their dogs

Do not post "free dog" or "free cat" on Craigslist, or in your local paper, facebook. You've heard it's a good way to find a good home for your pet... Think Again. Don't be fooled, because there's a good chance your sweet little unwanted pet will be used as bait for dogfighting. In reality, by giving away free pets, you may be supporting organized crime. Dogfighters use free and stolen cats and dogs to train their dogs.

Quote from a dogfighter

"The hardest thing is to get enough dogs and cats to use as bait during training. One good source is to check the local newspaper for ads that offer a pet dog or cat for free. My wife dresses up neatly and collects them for me. If the source is running dry, I just hire some local kids to fetch me dogs and cats. They scour the backyards and alleys and take whatever number of animals we need. They make sure to leave the doors or gates open, so people just believe that they accidentally left them unlatched and that's how their animals go out and got lost."
